

Family Worker Walsworth Road Baptist Church Hitchin

Love families and love Jesus? Looking for a change to a more fulfilling role?

You could be the person God is calling to the new post of Family Worker at WRBC. We are a friendly, all-age church with approximately 80 members who are seeking to build on our existing work with families. You would be working in a team with our Minister, Church worker, Youth worker and volunteers. This is a new part-time role offering 16 hours a week with considerable flexibility to fit the job around your life. Funding has already been secured for 2 years.

If you are interested or know somebody who might be the person we are seeking, please contact our Minister Rev. Andrew Henton Pusey on Minister@wrbchitchin.org.uk
